Comments from All Reviewers

Please provide ratings and comments on the following project criteria (1 = low and 5 = high):

1 2 3 **4** 5 Overall project quality

Comments: The overall quality was very good. There was a minor defect with one of the page links where it didn't open up to the correct link. The uniqueness of the website was also lacking slightly.

1 2 3 **4** 5 Level of creativity and originality demonstrated in the project

Comments: The originality of the website was slightly lacking. I found it to be very generic as far as websites go.

1 2 3 4 **5** Project contains an appropriate amount of information to meet its objectives.

Comments: Information pertaining to the apartments the website is built around is all there. There is no lacking info about the apartments and surrounding areas. The information I would look for is all there.

1 2 **3** 4 5 Quality of elements making up project (HTML/CSS, photos, vector graphics, video, audio, animation, web objects/elements)

Comments: One of the links didn't open to the correct page of the website. Aside from the one link there was no other problems.

1 2 3 4 **5** Project design (color, fonts, typography, layout/composition). The overall concept/theme/unified look of the website is effective.

Comments: The look and overall styling of the website was very professional and effective.

Do you feel this project is appropriate to include in the student's portfolio considering skill-level demonstrated?

Comments: Yes, the overall of the website was very professional and very well put together.

Did you experience any technical difficulties as you navigated through the website or displayed the project?

Comments: One of the links didn't open to the correct page of the website.

What are the main strengths of the project?

Comments: The website has a very professional and well put together look. The entire website was a nice and easy to navigate.

What are the main things that could be improved with the project?

Comments: The creativity and uniqueness of the website was a little lacking and could stand to improve.
