Comments from All Reviewers

Please provide ratings and comments on the following project criteria (1 = low and 5 = high):

1 2 3 **4** 5 Overall project quality

Comments:

1 2 3 4 **5** Level of creativity and originality demonstrated in the project

Comments:

1 2 **3** 4 5 Project contains an appropriate amount of information to meet its objectives.

Comments:

- Utilities Provided (Washer, Dryer, wi-fi, etc) ?
- Nearby Transportation ?
- Schools near by ?

1 2 3 4 **5** Quality of elements making up project (HTML/CSS, photos, vector graphics, video, audio, animation, web objects/elements)

Comments:

1 2 3 **4** 5 Project design (color, fonts, typography, layout/composition). The overall concept/theme/unified look of the website is effective.

Comments: I am not a designer, however seemed the page had a focus point of the center of the page, which I liked. I question some of the text being left oriented because of this. Also, on "Amenities" page, felt that the bullet points are way too spread out. I feel the negative space should be on the sides of the page, rather than in between the bullet points.

Do you feel this project is appropriate to include in the student's portfolio considering skill-level demonstrated?

Comments: yes. I believe it is a clear indicator of skills involving web development.

Did you experience any technical difficulties as you navigated through the website or displayed the project?

Comments: No Difficulties Found

What are the main strengths of the project?

Comments: Felt that the page displayed Professionalism which is desired.

What are the main things that could be improved with the project?

Comments: Stated in previous Comment. This is also a personal Opinion.
